

THANK YOU

Thanks to your support of the **2023 Armed Forces Family Fun Celebration (AFFFC)** and Fishing For Life's Military Relationships through Recreation programs (R&R).

Thanks to your generosity we were able to celebrate the men and women of the Armed Forces. We started the day off with a swearing in ceremony before heading out on the water for a great day of fishing.

The day's events provided opportunity for families to come together, bond and create lasting memories.

Fishing For Life provides fishing & outdoor activities for veterans, special guests and their families.

Thanks again for your support,
Fishing For Life Team
